Start Saving Valuable Budget Dollars Right Now! Upgrade your older more costly system to a Brand New digital MFP with reduced operating costs.

Replacing your out dated, inefficient copier is one of the best investments today's agencies can make.

Today's MFP's (Multi Functional Products) may have seemed out of reach but with the advanced cost saving features of Ricoh's Digital Copiers and with **REDUCED PRICING for Religious Affiliations and Non-Profit Agencies**....it's a reality. With features such as scanning, printing and faxing, upgrading your current system today will reduce costs of operation. Moving your printed pages and faxes from conventional systems will normally generate enough savings to cover the upgrade cost. The majority of our customers see a decrease in overall costs with a properly configured system, acquisition plan and document management workflow.

You can now acquire a new or off lease system with lower total cost of ownership than that of analog or older digital systems.

Innovative black & color MFP digital systems that provide high speed, superior image quality and simplified operations.

Interest Free payment arrangements make it affordable to have the advantages of a new Color digital system for your organization today.

Call us to learn more. We will be happy to review your needs and determine which of the new Ricoh MFP systems fits into the workflow of your organization and into your budget.
