Knowledge with over 20 years of focus on Ricoh Products, we have the in depth knowledge to bring together and design work-flows to reduce the costs associated with producing, distributing, managing and protecting your documents.

People our people make all the difference and your choice is clear when you want long-term, experienced and trained professionals to maintain your systems. We'll properly train your people to gain the most from your systems.

Location Everything is LOCAL! Supplies, parts, people and facilities. Should you happen to run out unexpectedly, you can get your supplies and parts the same day, normally within an hour or two.

Response Same day on-site service—says it all, we are there when you need us with parts, supplies and professionals. Our fleet of vehicles and trucks means fast response and control of deliveries and requests for service.

Performance Continuous reinvestment and evaluation of our performance means your equipment's uptime is maintained to 99%. Weekly service and company-wide meetings keep everyone informed of our performance and customer satisfaction to quickly identify and resolve 'hot-spots' requiring attention.

Reputation It's been said your reputation will be met in advance of meeting in face to face and our reputation has been out in WNY greeting new customers. Our 20 plus years of dedicated, professional and expert services and products in WNY have maintained our good reputation.

Products - we provide only Ricoh systems, focused on only one product line for over two decades! Full Color and BW Digital Copiers and printers, wide format copiers and fax.
